

## KICK-OFF TIMES

Though the Notts Youth Football League is an afternoon (pm) Saturday and morning (am) Sunday league we do realise that for some clubs this is not feasible and they need to stagger kick-offs amongst their teams, the league is very flexible regarding this and will allow preferred kick-offs to suit teams, If there should be any disagreements between teams regarding kick-off times and the teams in question can not resolve this mutually between themselves, the league will set the kick-off time to what ever the rules and regulations state for that time of the season.

- Kick-off times for midweek matches will be set by the Fixture Secretaries.
- All changes of kick-off times must be notified to the appropriate Fixture Secretary not less than 15 days before kick-off.
- Kick-off times may be changed within 15 days off kick-off subject to both competing teams and the referee being in agreement. Teams are requested to be cooperative and flexible when asked by the home club to enable the best use of facilities and referees.
- It is **not** permissible to postpone a fixture due to clubs failing to agree a kick-off time. In such cases both clubs may be charged and dealt with under the rules and regulations pertaining to unfulfilled fixtures.
- All fixtures and the preferred kick off time for each fixture is published on the Full-Time website, it is the team secretaries responsibility to ensure that they and their team are aware of the preferred kick off time of each of the teams they will play away from home.
- Keeping punctuality of your kick-off time is important as your referee may have a second match to travel to and referee following your match.
